

CARLSON BASEBALL SEATING

The Carlson baseball program has worked very hard to give our players/parents a great place to play and watch the game we all love. We have continued to strive to make the program better in all areas. In 2008, we started the planning stages of a stadium seating project. In the winter of 2014, we had 60 stadium seats installed on a metal structure for our home fans. The project cost us \$20,000. We invite you to take part in the project by purchasing a seat and making your mark on Carlson Baseball. You can purchase a seat license for \$150. The seat will have a tag on it with what you want. You can get 2 lines up to 20 characters. Please make checks out to Carlson Athletic Club and put "seat purchase" on the memo line.

Mail back to athletics: Carlson Baseball, 30550 West Jefferson Gibraltar MI 48173 attn: Coach Liptow
