It is fully understood that the following regulations must be followed and that they will be strictly enforced. Driving and parking a vehicle on campus is a PRIVILEGE subject to the following conditions:

1. All students wanting to drive must have a "Permit to Drive Form" on file with the Assistant Principal's Office before any permission to drive is granted. Permits cost \$50 per year or \$30 per semester to obtain and are not refundable. Also, there will be a \$5 charge for lost parking permits. Make checks payable to Gibraltar School District.
2. All student drivers must have a driver's license, insurance and registration on the vehicle.
3. Parents and/or guardians must sign this document in order for permission to be granted to drive to school.
4. Students are allowed to park in their assigned/numbered area. Vehicles parked in unauthorized zones or lacking proper parking permits will be towed at owner's expense.
5. A student permit must be placed on the driver's lower left side front window.
6. The administration reserves the right to search a vehicle when they have reasonable suspicion to believe that it contains substances or objects that violate school rules. Drug dogs and/or police may aid in conducting vehicle searches. Any property damage or loss due to a vehicle search or any other kind of incident is not the responsibility of the Gibraltar School District or their designees. Administrative guidelines for vehicle searches are derived from New Jersey v. T.L.O. 469 U.S. 325 (1985)
7. Driving the vehicle in a reckless and / or dangerous manner or using the vehicle to skip school will cause the loss of parking privileges.
8. No unauthorized person shall drive the vehicle when privileges have been suspended.
9. No students are to be in vehicles during school hours without school permission.
10. Students caught driving to vocational classes without authorization or skipping will lose their driving privileges: First (1st) offense will be a three (3) day OSS; Second (2nd) offense will be loss of driving privileges for semester and/or dropped from vocational program.

I have read all the above conditions and agree to abide by them with the understanding that the privilege to drive will be forfeited if any of the regulations are not followed.
