

Good evening Marauder families,

I hope this email finds you doing well, resting after what may have been a late Superbowl night (some of the kiddos seemed exhausted today!), and seeing the light at the end of the tunnel that we know in Michigan as winter. Here's what's happening at CHS:

- We had our Winterfest Spirit Week last week, capped off with a fun pep assembly and Snoball dance. We had over 500 students in attendance at the dance, the largest one to date. A huge shout out goes to Mr. Pehote, our Student Council, Mrs. Winn, and Mrs. Bailey for organizing an exciting way to start the second semester.
- Report cards will be coming home with your child tomorrow, so be sure to be on the look out!
- All 10th grade students are invited to attend the DCTC Career Expo at 6:00 pm in the CHS cafeteria on Wednesday, February 8th. This is a wonderful opportunity for students to see all of the programs they have access to beginning in their 11th grade year. Hope to see you there!
- All juniors will be taking an SAT test on Thursday, February 9th in the morning. This test will provide important information about specific areas where students can grow to earn a better score - all students should make it their highest priority to be there! Additionally, our students who have vocational classes will remain in the building. Students will be provided with a scientific calculator but may bring their own graphing calculator if they wish to use it.
- Carlson Athletic Boosters are sponsoring a Steak and Trivia Night on Feb. 11th beginning at 5 pm at the Elks Lodge in Flat Rock. Tickets are available through the athletic office and are \$25.
- There is a CHS Parent Advisory Council on February 13th at 6 pm in 101 - B. Hope to see you there!
- All of our students are placed in their MPT courses and we will begin running intervention again next week. Intervention is required if students are directed by their teachers to go and is a great way for students to increase their learning, and as a by-product, their grade!
- Please don't forget about the parent survey that we have open from now until the end of the month. Here's the information I sent about it previously: In an effort to be self-reflective and identify our current strengths and opportunities for growth so that we can continuously grow, Gibraltar School District is conducting a Parent Survey. We value your opinion and ask that you would set aside 5-10 minutes to complete this survey. To complete the survey, please go to: <http://bit.ly/GSDparentsurvey>

That's all for now! Make it a great week!

Sincerely,

Jessica Shultz
Principal
Carlson High School
