

Good evening,

I hope this email finds you doing well and hopefully not feeling too much pain as you remind our kiddos that, yes, they do have to start getting up a little earlier soon! I wanted to send a few more bits of information out that people have been asking for as we complete our preparations for the start of a wonderful new year!

- Prep day is 8/25 with times for each grade level in the attached flyer. For our freshman parents, we will be doing a parent panel on Thursday from 12:15 - 1:15 to introduce you to some of the faces in the school and answer any questions you might have.
- The picture flyer is available on our website and also is attached to this email so that you can purchase school pictures on Thursday. Please make sure to that your child wear's school appropriate clothes for their picture as it is the yearbook photo and student ID photo.
- Yearbooks and Senior Headshots will also be available that day as a reminder.
- Students will also be receiving their schedules that day. There are no schedule changes unless a student is placed in a class that is out of sequence (they are in 9th grade but have 12th grade English), there is a blank space on their schedule, or there is an error because the student received credit for a class that is on their schedule. We cannot accommodate requests for teacher changes or so that students can have a class with their friends. Thank you in advance for helping us share that message with all of our students.
- Students who have signed up to test out should have received an email with their test out times. All testing out times are on 8/29. If you have questions, please contact your child's counselor or me.
- Open house is 8/31 from 6-7:30. I know there are some athletic contests that evening, so we tried to schedule so that parents could stop in after a game or before a game. Please stop by and meet your child's teachers, give them another chance to run through their schedule (if they are still feeling a little nervous), and see our Clothes Closet as it becomes a reality.
- Speaking of the Clothes Closet - if this is something that you are interested in helping out with or would like more information about, please contact me and I will point you in the right direction.
- If you are interested in other volunteering opportunities, please let me know. There are countless ways that we can help our students become collectively even more successful! The first opportunity is if you could spare an hour or two during Prep day, we can always use more bodies when we are moving students through in an organized fashion.
- The first day of school is 9/6 and school begins at 7:40. The school looks amazing, schedules set, and classrooms decorated - now all we need are our students!

Please let me know if you have any questions!

Thank you,

Jessica Shultz
Principal
Carlson High School
