

Good afternoon,

I have received a few emails from parents of 9th grade students indicating that they are struggling to use the Pay for It website. I believe that the company has corrected this issue now and it should not be an issue. Other emails have come in asking for instructions about how to use the website. Attached are step-by-step instructions that you can use after you have done the initial sign-up. If you have questions about the process, please let me know and I will walk you through it.

Thanks!
