

PARSONS ART CLUB

YOU CAN'T USE UP CREATIVITY, THE MORE YOU USE THE MORE YOU HAVE...

MAYA ANGELOU

A special new Art Club is coming to Parsons starting January 2017!

The program will be 7 weeks on Wednesday evenings from 5:30pm - 7:30pm. January 11th through February 22nd. Directed by Jennifer McCall and Laura Cain.

Art Club will provide your student with a fun, hands on experience to explore a variety of art materials and concepts. The goal of Art Club is to give students the opportunity to further explore their creativity and to build their artistic confidence.

Every child is an artist and sees things in their own unique way. Art club will encourage students to discover their inner artist and develop their own personal techniques.

The beauty in each child's art will be recognized by their intention and their completion.

Students will have the opportunity to use all of their senses to create their own vision on a variety of projects. We will work with paint, clay, charcoal, collage materials, colored pencil, oil pastels, and more!
