Please join us at your child's new school!

Welcome to
Gibraltar
School
District!

Please join us to hear all about
Kindergarten at your child's elementary
school. You will hear a presentation
from a kindergarten teacher as well as
the school principal!

Additionally, your incoming
kindergarten child will get to spend
time in a kindergarten classroom to
complete a fun activity and receive a
special surprise during the parent
presentation!

Kindergarten
Round Up
Night

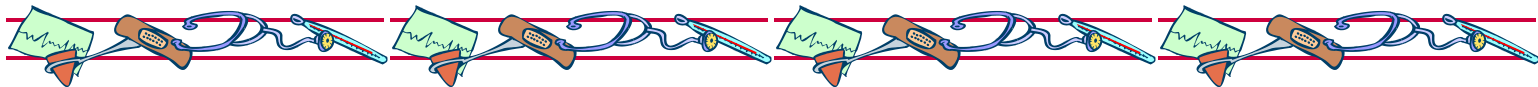

**Walk in registration begins February 21 at your child's school during normal office hours.
Please bring 3 proofs of residency*, original birth certificate, and immunization record.**

Registration Packets will be available online, in the school office, and will
also be available during Round Up Night after the presentation.
Packets will be accepted during office hours in the school office.

Please contact your child's school with any questions at
Chapman: 734-379-6380 Hunter: 734-379-6390
Parsons: 734-379-7050 Weiss: 734-379-7060

*Acceptable documents (must be current) include: mortgage statement, closing statement, lease agreement,
phone/electric bill/gas/cable bill, bill of sale for residence, property tax bill, and bank statement

Dear Parents/Guardians:

Welcome to our schools. We are very proud to be a part of your child's educational experience. Our goal is to provide a safe, healthy and pleasant environment in which your child will feel comfortable and motivated to learn. You can assist us in reaching our goals by **informing us of any medical concerns you have regarding your child**. We will then help the staff at the school learn how to best care for and offer support to your child on a day-to-day basis.

It is important for us to know if your child has any illnesses such as asthma, diabetes, or a seizure disorder, to name a few. We need to know if your child has any food or insect allergies, takes any medication on a regular basis, or has any physical or learning disabilities. We are here to help your child be successful, and this information helps us safeguard your child. You can communicate this information to us when you fill out the kindergarten registration packet and let school secretary know at the time of registration. Also, please include that information on the "Emergency Form" that your child will bring home on the first day of school. It is important that these documents be periodically updated should information change—including telephone numbers. Up-to-date telephone numbers and permission to contact friends or family members are extremely important should a medical emergency arise.

If your child needs to be given medication during school hours, **you and your child's physician** must sign a "Permission to Administer Medication Form" which can be obtained from the school web site, school office at the time of registration or anytime during the school year. Medications administered at school need to be brought in to the building by parent or guardian in either a pharmacy-labeled container (for prescribed medications) or in the original unopened package labeled with your child's name (for over-the-counter medications) which can remain at school.

There are certain immunizations that are needed for children entering school. The school secretary will be assessing your child's immunization record and will discuss that with you when you are registering your child for kindergarten, or you can get a vast amount of information on the following website. (Links for info about free or low-cost health care are there, as well.) Visit this website for info: www.michigan.gov/immunize Also, the school office will have flyers available about free and low-cost immunization clinics in our area.

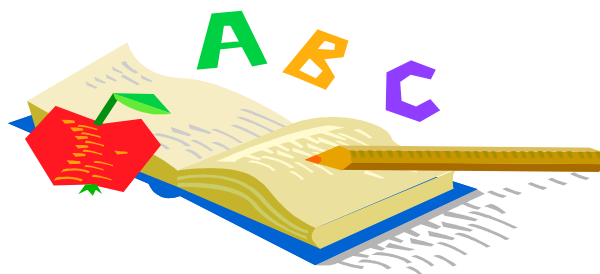

Thank you for your time. We are looking forward to meeting you.

Please let us know if we can ever be of any assistance to you.

Sincerely,

Patricia Colucci

Nursing Services

Immunization Clinic Schedule

Clinic Hours are as follows:

Monday, Tuesday, Thursday & Friday 8:00am - 4:30pm
Wednesdays 11:00am – 7:30pm

Regarding: FREE/REDUCED APPLICATION AVAILABILITY

February 2017

Dear Parent/Guardian,

The 2017-2018 School Year Free/Reduced application will be available after August 1, 2017. If you feel you are eligible for the Free or Reduced price Breakfast and Lunch program, please pick-up a paper copy of the application at the Gibraltar Board of Education office or an application will also be available to print online at www.gibdist.net after August 1, 2017. Please turn in application before start of school year, so we have time to process before first day of school.

Thank You,

Brian Bahr CEC DDS
